Hollywood in the bag

CAMERON DIAZ AND DREW Barrymore have been spotted with their super stylish Tod's bags.

The Tod's Nylon Bag seen on Cameron Diaz is available in navy or beige colors and is made of technical fabric, making the bag both stylish and trendy.

Charlie's Angels co-star Drew Barrymore, meanwhile, had a Tod's tote bag that features three outside pockets, double leather shoulder straps, and a zip closure.

Another jet-setter who carries her bag everywhere is British actress Sienna Miller, who plays the season's most coveted role, Edie Sedgwick, in the biopic "Factory Girl."

She was seen from New York to LA with her Tod's leather T Bag, with its contrasting stitched leather with gold-tone hardware, a triple-coated zip close front, exterior pockets and side-seamed exterior pockets, plus a zip-top closure with a leather pull tag.

The bag comes with 15-inch double leather handles with 7½-inch drop and gold-tone feet at the leather bottom. The T Bag also comes in calfskin with natural canvas and natural vachetta leather.

Princess Stephanie of Monaco's very own Charlotte Casiraghi is a Tod's junkie herself. She recently attended an event in Paris looking sophisticated in her gold mini dress ensemble while sporting a Tod's Boomerang East West Bag clutch.

Tod's Audrey Flats, inspired by Audrey Hepburn, were seen on the beautiful X-Men star Rebecca Romijn. The classic flats are available in black and white and are perforated with a daisy bow detail.

In the Philippines, Tod's is exclusively distributed by Stores Specialists, Inc. (SSI) and is available in Greenbelt 4, Ayala Center, Makati.

CARLO CONCEPCION

ONE OF MY FAVORITE NOOKS is our Makati house is the guest bathroom. It looks nothing like the rest of the house. While our house is modern, the bathroom is made entirely of wood and has a classic antique feel to it. It's big, spacious and smells good because of all the aroma therapy products in it. My dad stocks it up with different colognes for guests (which I use).
